MON	19-Jun		FURTHER MATHS - Calculator							
FRI	23-Jun						DT PRODUCT DESIGN in KT (107)			
MON	26-Jun		DT PRODUCT DESIGN							

Y11 GCSE Exam Revision Session Timetable - Summer 2017

1. See **timetable** overleaf for specific details.

2. **Blue indicates EXAMS** **Yellow indicates REVISION SESSIONS**

3. You must be clear which sessions you have to attend on the timetable. Be aware that certain subjects have different sessions for Higher and Foundation, whilst others indicate attendance according to surnames e.g. 'Surnames A-M' or 'Surnames N-Z'. You must attend the right one.

Note – most sessions are in KT which is The Kings Theatre (Dr1 and Dr2). Some are in the Hall (in main block) and others take place in normal classrooms.

4. **Purpose of these compulsory revision sessions:**

- Subject leaders will cover key topics relevant to each specific exam paper.
- They will also give you '*top tips*' for tackling the demands of each exam.
- Subject leaders/teachers will let you know what you need to bring to each session.
- If you want to make notes you will need to bring a pen, paper and something to lean on e.g. a folder.

5. **Please note the following:**

- These revision sessions are **compulsory**.
- You must attend **AM registration** with your tutor every morning up to and including Friday 26th May.
- Your tutor will send you to either your **exam**, your **revision session** or your normal timetabled **lesson**.
- When you are not in an exam or revision session – you attend normal timetabled lessons up to and including Friday 26th May.
- When revision sessions are scheduled in classrooms, please ensure that you bring your revision materials and equipment for that subject to those lessons. This is particularly important for English and Maths revision sessions which may take place at times when you would not normally be taught these subjects.
- **AFTERNOON EXAMS:** Move towards your exam room early enough so you reach it at least 10 minutes before the exam is due to start. There may not be a bell sounding to remind you to move. We strongly suggest that you wear a watch (*but not a smart watch*) during the exam period and keep in mind that you need to **arrive at your exam room at least 10 minutes before the exam is due to start**.
- **From 5th June you only come into school to attend a timetabled revision session or GCSE exam.** There will be NO normal timetabled Yr11 lessons taking place from this date.

6. **Finally:** make sure you study the Revision Sessions timetable carefully to know exactly where you should be during this busy period. Keep this timetable and your personalised exam timetable in your blazer pocket at all times. Take a photo of it using your phone. If you aren't sure about anything, ask your tutor.

Good luck!
