Musicians and Performing Arts students will also be taking part as we consider ways in which people can help when both good and bad things happen.

A cue for our forthcoming Charities Week next month (w/c Monday 22 October 2018)!

All Years Parents' and Students' Evening:

Supporting Literacy - Wednesday 26 September 2018:

Literacy remains top of our agenda across the whole Academy to raise achievement and all staff are focused on ensuring that students are articulate and precise in their written and spoken work. Come along to find out from SENCO Mrs Boulton how you can support your child in all years and all abilities to stretch and boost.

Our First Focus Day - Friday 28 September 2018:

Friday marks our first Focus Day at Kings!

Students and staff will be off timetable for the day and will be taking part in Faculty House Competitions. This is really exciting for us and we want students to enjoy participating in activities and gain those all-important House points! Students can attend school wearing House colour accessories e.g. hair tie, socks, belt, scarf (only!). Students participating in House Sport can wear P.E. kit, but they must change back into school uniform after the activity is finished.

Avalon (blue), Lyonesse (yellow), Camelot (green) and Tintagel (red).

Preparation for Success Year 11 Parents' and Students' Evening Thursday 15 November 2018:

We encourage you to book the date in your diary now!

Deputy Headteacher (Progress & Performance) Mr Edwards and other staff will be talking about how to support your child in their revision and what resources to use.

More details to follow in due course!

Parents' Evenings:

A quick reminder that parents' evenings will start earlier from **4pm until 7pm** to help you on busy school/work evenings and mindful of our staff working 12-hour days.

The first one will be for **Year 9** on **Wednesday 28 November 2018!**

SMILE, say Cheese!

On Tuesday and Wednesday a professional photographer will be with us in school to take some new photos for the website and publicity. We live in a visual world and we want to show the world a window on our world and our lovely students. If your child is not able to be photographed, we would ask that they indicate to their teacher to avoid any unnecessary snags. Thank you for your support!
