Acceptable Use Agreement

I understand that I must use Academy ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users.

For my own personal safety:

- ✓ I understand that the Academy will monitor my use of the ICT systems, email and other digital communications and may view any material I store on the Academy computers
- ✓ I will keep my username and password secret – I will not share it, nor will I try to use any other person's username and password
- ✓ I will not disclose or share personal information about myself or others when online
- ✓ I will not arrange to meet people offline that I have communicated with online unless I have full agreement of my parents and my parents or a responsible adult meet the person with me
- ✓ I will immediately report any unpleasant or inappropriate material or messages or anything that makes me feel uncomfortable when I see it online
- ✓ I will not eat or drink near computer equipment

I understand that everyone has equal rights to use technology as a resource and:

- ✓ I understand that the Academy ICT systems are primarily intended for educational use and that I will not use the systems for personal or recreational use unless I have permission to do so
- ✓ I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work
- ✓ I will not use the Academy ICT systems for online gaming, online gambling, internet shopping, file sharing, or video broadcasting (e.g. YouTube), unless I have permission of a member of staff to do so

I will act as I expect others to act toward me:

- ✓ I will respect others' work and property and will not access, copy, remove or otherwise alter any other user's files, without the owner's knowledge and permission
- ✓ I will be polite and responsible when I communicate with others, I will not use strong, aggressive or inappropriate language and I appreciate that others may have different opinions
- ✓ I will not take or distribute images of anyone without their permission

I recognise that the academy has a responsibility to maintain the security and integrity of the technology it offers me:

- ✓ I will only use my personal hand held/ external devices (mobile phones/ USB devices etc) in school if I have permission. I understand that, if I do use my own devices in school, I do so at my own risk of loss or damage, and that I will follow the rules set out in this agreement, in the same way as if I was using school equipment
- ✓ I will not enter, or attempt to enter, the file areas of other students or staff

- ✓ I understand the risks and will not try to upload, download or access any materials which are illegal or inappropriate or may cause harm or distress to others, nor will I try to use any programmes or software that might allow me to bypass the filtering/security systems in place to prevent access to such materials
- ✓ I will immediately report any damage or faults involving equipment or software, however this may have happened
- ✓ I will not open any attachments to emails, unless I know and trust the person/organisation who sent the email, due to the risk of the attachment containing viruses or other harmful programmes
- ✓ I will not install or attempt to install programmes of any type on a machine, or store programmes on a computer, nor will I try to alter computer settings
- ✓ I will only use approved chat, blogs and messaging services with permission and at the times that are allowed
- ✓ I will only use approved music and video streaming services with permission and at the times that are allowed
- ✓ I will not use social networking sites in school

When using the internet for research or recreation, I recognise that:

- ✓ I should ensure that I have permission to use the original work of others in my own work
- ✓ Where work is protected by copyright, I will not try to download copies (including music and videos)
- ✓ When I am using the internet to find information, I should take care to check that the information that I access is accurate, as I understand that the work of others may not be truthful and may be a deliberate attempt to mislead me

I understand that I am responsible for my actions, both in and out of school:

- ✓ I understand that the school has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school and where they involve my membership of the school community including staff and students (examples would be cyber-bullying, use of images or personal information)
- ✓ I understand that if I fail to comply with this Acceptable Use Policy Agreement, I will be subject to disciplinary action. This may include loss of access to the school network/internet, detentions, fixed term exclusions, permanent exclusions and in the event of illegal activities involvement of the police. Parents will be informed if any of the above are actioned

Please complete the sections below to show that you have read, understood and agree to the rules included in the Acceptable Use Agreement. If you do not sign this agreement, access will not be granted to school ICT systems.
