

July 2018

Dear Parents/Carers

Year 10 Parents' Evening 11th July 2018

You may well be aware that a very important sporting event will be taking place on Wednesday 11th July. As this unforeseen development will clash with the planned Parents' Evening, we have decided to move this to Thursday 12th July to maximise the possibility of supporting Year 10 students *and* the England football team. The appointments already made will remain the same and will simply transfer across to Thursday. Should this no longer be convenient, we will do our utmost to accommodate any necessary changes but apologise should we be unable to change the timings to suit. Arrangements can be made for subject staff to contact you by phone at a later date should this be preferable. Also, should subject staff be unavailable on Thursday, they will make contact with you.

Kind regards

The Kings of Wessex
