

# The Kings of Wessex Academy

Getting the best out of everyone

September 2015

Dear Parents/Guardians

**Re: Important Access to Firefly**

To help you support your child in their schoolwork, we are providing parents with an account to log on to Firefly, our Learning Platform.

By logging onto Firefly you will be able to see information regarding your child. In particular, details of their timetable and teachers. Importantly, it will also give you a list of all homework tasks that have been set. This information will include the date set, date due, the subject, teacher and a description of the task. Any resources such as PowerPoint files or video clips can also be attached. It will also show you if your child has completed each task.

All teachers use Firefly to set all homework tasks. Students can log onto their Firefly account and clearly see what work they need to complete and by when.

To log on to **your** Firefly page please click on the link <https://kow.fireflycloud.net>

1. Select the green box "logging in for the first time? Activate your account".
2. You will then be asked to enter your email address (the email address to which this message has been sent) and this will trigger an email from Firefly containing a link that you can follow.
3. Click on the link in the email you will have just received from Firefly.
4. You will be asked to create a password for your Firefly account and once you have done this you will be able to view your Firefly homepage.

Firefly works just like any other website. From the homepage you can select tabs that show the Subject Pages and information on House, Clubs and Activities and Student Services. These are the same pages that the students can access. **If you select the link by the name of your child you will view the homework tasks that they have been set.** This is a record of the homework that has been set for your child.

Firefly is a relatively new product for the Academy and is being updated by staff all of the time. We hope that students will use this resource to help with revision and to extend their own learning alongside the homework tasks that will be set via Firefly. We very much hope that you will take this opportunity to further support your child with their homework and hope you find the information provided by logging on to Firefly useful.

If you have any queries please contact the main office on 01934 742608 or by email on [office@kovessex.co.uk](mailto:office@kovessex.co.uk)

Yours sincerely,

**Christian Hughes**
