Dear Mrs Brimmell

Re: Invitation to Parish Council to visit The Kings of Wessex School Council

The School Council would like to invite the Parish Council to visit them at The Kings of Wessex in order to get a flavour of the educational experience available to our students and to hear our latest presentation regarding road safety, linked with our proposal for the demolition of the public toilets in Station Road.

As you will be aware, we presented to the Parish Council in 2006 and, as a result of some of the feedback received, feel that it would of great benefit to our local parish council members to visit the school during the day and gain an insight into young people's experience at school, including the opportunities and practicalities of learning.

Our concerns regarding the safety of students and pedestrians at the school entrance has been heightened again recently with the planning application for 12 dwellings on land at the rear of Lanes of Cheddar, situated alongside our premises in Station Road.

We would welcome the opportunity to present to the Parish Council our most recent work surrounding the safety of students at our school and can offer you the following dates:

Monday 7th July, Tuesday 8th July or Monday 14th July 2008.

We would invite Councillors to arrive from 14.15 for tea and biscuits and to meet the Student Council, with a presentation commencing at 14.45, culminating in a tour of the school.

We look forward to hearing back from you with confirmation of your availability and would be grateful to know in advance the names of the guests from the Parish Council who will be visiting.

Yours sincerely

BARBARA MARSHALL
Deputy Headteacher
on behalf of the Student Council
