- **BTEC** Choose the BTEC across both columns, any additional course will need to be taken from the remaining blocks
- **GCSE** You may select Mathematics AND English re-sits in column E if necessary but you will not need to select these options until after your GCSE results.

Please note that the subject choice form is provisional; we may need to make some changes to reflect the number of students who opt for each subject.

Do you have any problems with your choice of subjects?

If you wish to study a combination of subjects that is not possible on the grid, please give details and we will do our best to accommodate your choices. Please give an alternative choice in case the change is not possible.
