

YEAR 11 HOLIDAY REVISION PROGRAMME 2022

**MONDAY 11TH APRIL – FRIDAY 22TH APRIL
and
MONDAY 30TH MAY**

March 2022

Dear Parents/Carers

We are very pleased to announce this year's Year 11 Holiday Revision programme to support your children with their preparation for the important exam period ahead.

If your son or daughter is interested in any of these sessions, they will need to complete the application form at the back of this programme and return it to the academy office by no later than Friday 18 March 2022.

Places are limited and we appreciate that some subjects are on the same day, therefore students will need to prioritise. To help us please indicate preferences in numerical order from the 1st choice through to the least important across the entire programme of sessions available – not just on an individual day. We cannot guarantee places, but we will attempt to ensure that all students can attend at least one session. Please note if a session is running all day, due to the content of the day you will need to attend the full day. You cannot mix it with another session which is running for part of the same day. We will write to confirm which Holiday Revision session your son/daughter has been allocated by 28 March 2022.

Unfortunately, due to budgetary constraints, we have to make a small charge towards the costs of the sessions. This charge will be £5 per half day but will not apply to students in receipt of Pupil Premium. No payment is required with the application form. Parents/Carers will be invoiced for the cost of the sessions once places have been allocated and payment will need to be received by **Monday 4 April 2022** in order for places to be confirmed.

Please note that GCSE Maths Revision will be offered online during the May Half Term. Details are enclosed and it is important to indicate these on your wish list along with the Easter sessions.

All subjects have comprehensive revision programmes within the school term. These Easter revision sessions supplement but do not replace them. Revision materials for all subjects is also available on the firefly website.

Students attending Holiday Revision sessions will need to provide their own packed lunch and transport. There will be no facilities available at school for lunch and students will not be allowed to leave site during lunchtimes. Students do not have to wear uniform; however exemplary behaviour is expected and the Academy Code of Conduct will apply.

We wish all of our Year 11 students the best of luck with preparation for their exams. We know that students will find these Holiday Revision sessions beneficial and a useful addition to their own revision

Yours sincerely

Rachel Hopwood
Deputy Headteacher
