

White Rose Maths is the resource we use across the school from Reception to Year 4

Maths with Michael -

Is a guide for parents when supporting their children at home with either homework or home learning.

There are 7 short episodes (each episode is approximately 5 minutes) and they include:

[Introduction](#) – Has maths changed?

[Episode 1](#) – Place Value

[Episode 2](#) – Subtraction

[Episode 3](#) – Multiplication

[Episode 4](#) – Division

[Episode 5](#) – Fractions

[Episode 6](#) - Algebra

Attached is a link for you to access this mini series:
