

9 November 2022

Dear Parent/Carer

Science Revision Guides Year 10

Your son/daughter has now completed their first year of their Science GCSE course and I would like to take this opportunity to remind you how your son/daughter can be supported during their next two years of GCSE Science.

For a number of years, we have had great success in using the CGP revision guides, and as a school we are able to purchase these revision guides at a discounted rate of £9.80 for all three, which is approximately half the normal retail price.

If you did not purchase a revision guide last year and would like to do so, please make payment using the online ParentPay system. If you are unable to pay online, you can pay by cash at a store showing the Paypoint logo. You will need a Paypoint letter which is available from the school office. The letter has a barcode which is unique to these revision resources.

The deadline for payment is Monday 5 December 2022, which will allow us to place an order with the supplier.

If you have any questions, please do not hesitate to contact me on DParfitt@kovessex.co.uk

Yours sincerely

Mr D Parfitt
Head of Science
