

10 February 2023

Dear Parent/Carer

**Parent Hub – Internet Safety – Wednesday 1 March 2023**

As part of our ongoing commitment to support families in the Digital Age, we are delighted to offer Parents/Carers the opportunity to attend one of our Parent Hubs – Parenting in the Digital Age.

Supporting students in the modern world can appear a daunting challenge. Students have access to a vast array of internet connected technologies, and while this presents them with many opportunities, it can also create unique challenges for those who parent and care for them through their teenage years.

Our Parent Hub on Parenting in the Digital Age will be planned and lead by Mr Coles, Head of Avalon House. As well as being a Head of House and a teacher of Computer Science, Mr Coles also has 15 years' experience of providing IT consultancy and network management. We are excited to draw upon his unique range of experience to offer high quality, practical support to Kings' parents and carers.

The evening will cover the following topics:

- Setting up family friendly web connections (Broadband and 4G)
- Enforcing child/parent accountability when setting up devices
- Social media: benefits and boundaries
- Online gaming: suggestions for safer play

The details of the event are below.

Date: Wednesday 1 March 2023

Time: 5.30pm

Location: The Main School Hall

Please can I ask that you complete the following form using the link [here](#) to confirm your attendance. We look forward to seeing you there.

If you have any questions, please do not hesitate to contact me on [office@kovessex.co.uk](mailto:office@kovessex.co.uk).

Yours sincerely

**Mr Jake Caulfield**  
**Assistant Headteacher – Pastoral, Welfare and Inclusion**
