Dear Parents/Carers

RE: End of Summer Term

I would like to take the opportunity to express to you all what another outstanding year we have had and as the final term draws to a close for Kings Academy, it is always good to pause and reflect.

Once again, our students have shown clear determination and resilience throughout this Academic year, which has resulted in numerous accomplishments.

Over the summer, I hope that our students take the opportunity to look back with pride on their greatest successes and reflect on what they would like to improve on. They can then use this knowledge to move onto greater triumphs, as they consider the next Academic year. We are extremely proud of them all and they are a credit to the Academy and you as Parents and Carers.

May I also take this opportunity to thank you for your continued support throughout this year. We appreciate and acknowledge this entirely, and we would be unable to do what we do without your support.

Over the summer period, we will continue with the ongoing developments at the Academy and will look forward to sharing these with you upon our return in the new term.
