

January 2024

Dear Parent/Carer

**Science Revision Packs – Year 11**

In addition to the set of revision guides that students have previously had the opportunity to purchase the Science Department would like to offer every student the chance to purchase additional revision resources as we move towards the end of Year 11.

We are making available for purchase Science Revision Packs that students will be able to use as part of their 15-1 revision plan and in other general Science revision.

These packs will consist of exam questions specific to each science topic as well as the most recent copies of past papers. Students will receive booklets designated to each of the six separate papers that they will sit in the Summer. The packs will be tailored to each student's tier of entry (Foundation/Higher or Triple).

The cost for each revision pack will be £12 which covers all of the printing costs associated with the production of the booklets.

Payment for the revision packs must be made using the online ParentPay system. If you are unable to pay online, you can pay by cash at a store showing the Paypoint logo. You will need a Paypoint letter which is available from the school office. The letter has a barcode which is unique to these revision resources.

Once we have received payment, we will issue the revision packs to students.

The deadline for payment is Monday 5 February 2024.

If you have any questions regarding the revision packs, please do not hesitate to contact me on [DParfitt@kowessex.co.uk](mailto:DParfitt@kowessex.co.uk)

Thank you for your continued support.

Yours sincerely

Mr D Parfitt  
Head of Science
