

23 January 2024

Dear Parent/Carer and Student

### Revision Schedules 15 to 1, Preparation and Support

This letter outlines key information and support for those students who are entered for A Level/Level 3 qualifications in the Summer 2024 Examination Series.

The timetable for the Summer Examination Series can be viewed on the website [here](#). Prior to making plans for the Summer break please be aware there are three National Contingency dates; the afternoons of Thursday 6 and 13 June and the whole day on Wednesday 26 June 2024. Students should remain available up to and including this date. A level and Level 3 results will be published on Thursday 15 August 2024. Further details of results days will be shared in due course.

Accompanying this letter, you will find a 15 to 1 Guide. The Guide has been written for each subject, for the weeks between now and the start of the 2024 Examination Series week commencing Monday 13 May 2024. This will signpost students to the suggested topics and/or activities to best prepare students for their examinations in the Summer. Students will be shown and advised further on the effective use of the booklet in school.

Students are also offered several subject revision sessions in school, at the end of the day or at lunchtime. These have been communicated separately. In addition, Year 13 will be focused on revision skills and will be offered some subject specific sessions during extended tutor time after the February break.

After half term we will also share with you details of the Easter revision sessions that will be offered to supplement the revision schedules which will take place in school.

There will also be an online Parent Information Evening, focusing on effective revision techniques, recommended resources, time management strategies, and methods students can use to prioritise their wellbeing during this intense period. This presentation was offered during the recent Parents' Evening but has been requested again. Details will be shared separately.

As students continue their preparations, I thank you in anticipation of your continued support. If you have any further questions, please contact me via the school office.

Yours sincerely

**Rachel Hopwood**  
Deputy Headteacher
