Dear Parent/Carers

Year 11 GCSE Maths Revision Materials

As you are aware the Maths GCSE has a big emphasis on problem-solving, communication, proof and interpretation. Students can achieve a grade 1 to 5 on the Foundation Paper and a grade 4 to 9 on the Higher Paper. 50% of the Higher Paper is aimed at grades 7- 9.

To support students with their revision, the Maths Department is delighted to be able to offer Parents/Carers the option to purchase revision material for both Higher and Foundation students at a reduced price.

To purchase any of the items below, please use the MyChildAtSchool App, select store and Maths Revision Material. These are now available, and we will be placing the order on Wednesday 1 October 2025.

- The Corbett Maths revision cards contain 90 cards. Each card contains key facts, a link to a video, past exam questions and solutions. They are available for both Higher and Foundation Tiers and are priced at £8.70 each. Further details on the cards can be found [here](#).
- A CPG revision guide and workbook which contains notes, worked examples and exam style practice questions and answers and priced at £6.75. This comes in Foundation or Higher and covers all topics in each tier.
- For pupils who are aiming for a grade 4 and 5, there is also an option of a new revision guide/workbook covering the key grade 4 and 5 topics. This is priced at £6.20. Some sample pages can be found [here](#).

Thank you for your ongoing support and if you have any questions, please do not hesitate to contact your child's teacher or me on VWard@kowessex.co.uk.

Yours sincerely

(V) Ward
