Dear Parent/Carer

Duke of Edinburgh's Achievement Award – Year 10 Silver 2025/27

I am delighted to inform you that the Kings Academy has a dedicated Coordinator especially for the Duke of Edinburgh Award. My role is to support students in all sections of their DoFE journey. I will be monitoring students' progress throughout their Award and will be available to support students in finding suitable evidence for each section of the Award.

The Academy is delighted to be able to offer 24 Year 10 students the opportunity to enrol on the Duke of Edinburgh's Achievement Award, Silver this term. This Award has four elements to it; Volunteering, Physical, Skills and the Expedition.

Students who decide they would like to take part in the Award will develop team skills and gain experience of working with others, developing their practical skills and physical stamina. The qualification may lead onto participation in the Gold Award in Year 12/13.

An information Introduction to the Award Evening will be held and the presentation will be on the website under the DoFE section for those who cannot attend.

To support students working towards their Silver Award, specialist support and guidance will be available through direct emails to the Coordinator. This will ensure the following:

- Participants are registered to the scheme online and understand what to record and how to upload their evidence files
- Participants have appropriate placements for the volunteer element
- Participants have identified an appropriate skill element
- Participants have appropriate evidence for the physical element
- Organise for participants to complete expedition training, practice and qualifier expeditions. This element of the Award will be delivered by a DoFE Approved Activity Provider (see below)

After enrolment, participants will receive their username and password via email directly from the Duke of Edinburgh Award Scheme to their parent/guardian email address provided to the coordinator on the enrolment form. Participants will receive their Welcome Pack straight to their home address after they have logged on and completed their on-line profile for the first time. The names and spelling on the profile are used to create the certificates so correct spelling is crucial.

Participants complete the volunteering, skills and physical elements in their own time and choose an appropriate assessor for each section. The assessor must not be a relative. They will upload their evidence, and assessor reports on to an eDoFE profile to show completion of each section. Participants will need to identify suitable placements and assessors for each of these sections and complete all sections. Blank assessor reports are contained within the welcome pack. Assessors need to complete these and then students upload these to their online profile, or assessors can log onto the website www.dofe.org/assessor and complete an online report.

This year, to ensure that students are committed to the Award, only those students who have started all sections of the Award and entered this information on their eDoFE account by 31 March 2026 will go forward to be offered the opportunity to undertake the expedition. All sections of their Award will need to be completed before a place on the assessed Expedition will be guaranteed.

The Expedition training, practice and assessed sections will be run by an AALA external provider. Please note that there is a behaviour, phone use and expected Expedition clothing policy that will be shared in due course with anyone who is offered a place on the Expedition. All risk assessments are undertaken before any Expedition is undertaken. Somerset Adventures will provide all the support and training required for the entire Expedition section. Students will be required to attend all the training outlined below alongside the two-day practice and assessment expedition. The training and Expedition days are for The Kings Academy students only. I will be present for a day at the training practice and assessed Expeditions.

The Expedition dates are always two weekend days in the Easter holidays 2027 and the expedition itself is after the GCSEs. At Silver level, the Academy runs a limited space (24 places) Canoe expedition and then a Walking expedition for those who wish to complete a Silver Walking expedition.

The total cost of the Canoe Silver Award will be **£365.00**

This includes:

- Registration on the Award Scheme and creation of online DofE profile
- Silver participant pack and booklet – received through the post
- Expedition training and assessment
- Use of all group camping equipment, stoves, maps, compasses and all campsite fees

Participants will need to provide their own personal clothing, footwear, rucksack and sleeping bag. For the Canoe expedition it is recommended that participants use dry bags for their sleeping bags and clothes. A large dry bag is provided by Somerset Adventures. Detailed kit lists will be issued at the first training session. The County manages a 'loan' scheme for most personal items. Please email the coordinator if kit loans are required.

If you would like your child to participate in the Award, we ask that a first payment of £205.00 is made by Friday 19 December 2025, which is the sign-up placement fee bought from County and a portion of the Expedition fee. This is non-refundable. The final expedition payment of £160.00 is due by Friday 17 July 2026.

The Award will be available on the My Child At School App **from 8.00am on Friday 14 November 2025**. If the Award is oversubscribed, places will be allocated on a first come, first served basis. Please ensure that we have your up-to-date emergency contact details and any relevant medical information for your child, as this information is taken from our school database. Payments are non-refundable.

Please forward the attached Parental Consent Form **and** the DofE Enrolment form to the school office for the attention of Esther Bryans, Duke of Edinburgh's Award Coordinator.

As with all Academy trips, students will be expected to uphold the reputation of the Academy and, therefore, exceptional behaviour is expected at all times throughout the day and in the lead up to the trip.

Yours sincerely

Esther Bryans
