Message from our Headteacher

It was delightful to see all students back in the Academy this week, refreshed after the Christmas break and looking forward to their learning. Thank you to all of you who supported over the break by replenishing stationery supplies and uniform where needed to ensure all our students are ready to learn. Students looked very smart in their 'Welcome Back' assemblies on Monday. In this assembly I reflected with the students on the theme of togetherness promoted through the New Year's Eve London firework display. In a time when our society can seem polarised regarding protected characteristics such as race, gender, religion and disability, my message was clear: at Kings Academy, we think before we speak and we think before we post with the overarching aim of being kind with our language choices. Our ambition to have an inclusive sense of belonging for all members of the Kings community is never more important and I would appreciate you reiterating these key messages at home.

Year 11 and Year 13 have busy schedules ahead as we begin the countdown to exams. The team at Kings is ready to help all students to 'Believe and Succeed'. I cannot emphasise enough that at this stage, every lesson is crucial and so ensuring your child attends every day will reduce those learning gaps in the future. If you feel you need support with your child's attendance to school, please get in touch and we will help.

Enjoy the weekend.

Summer 2026 Exams

Please be advised any student sitting an examination in Summer 2026 will need to remain available up to and including Wednesday 24 June 2026 should an awarding body need to invoke its contingency plan.
