

1 April 2026

Dear Parents/Carers

Year 13 Update and Easter Revision

The information below is for current Year 13 students, their parents and carers with further information regarding upcoming events and support.

Easter and May Revision

All subjects have comprehensive revision programmes within the school term. These Holiday Revision Sessions supplement but do not replace them. Revision materials for all subjects are also available through Teams.

Students attending Holiday Revision Sessions will need to provide their own packed lunch and transport. There will be no facilities available at school for lunch. However, exemplary behaviour is always expected. The Year 13 schedule for Easter revision is shown at the bottom of this letter.

PPE QLA and Resources

All students who completed their pre-public examinations (PPEs) in March will have received question level analysis. This highlights the type of question and topics where they have done well and those where further improvement can be made. All students have been advised to spend the time on the areas where they lost the most marks to maximise their potential in the Summer examination series.

15 to 1 Revision

All subjects have written a 15 to 1 revision schedule for students. This identifies suitable revision to undertake each school week in the 15 weeks prior to the start of the Summer exam series 2026. The guide can be found on the website under students – revision support. There are also several self-care resources on this part of the website which you may find informative with regards to anxiety and managing stress.

Exam Briefing and Timetable

In preparation for the Summer 2026 series, you are reminded the information booklet and further details are also on the website and can be found [here](#) alongside the overall timetable. Students received their exam briefing during tutor time on Monday 30 March and a copy has also been emailed to all students. Individual timetables will be sent in due course to My Child At School Bromcom app and a paper copy provided through tutors after the holiday.

You are reminded that the Summer examination series runs from **6 May 2026 to 24 June 2026**. The 24 June 2026 is National Contingency Day and students must remain available up to and including this date. GCE and

Believe and Succeed

Level 3 Results Day is 13 August 2026. Further details and arrangements for the Results Day will be shared after Easter.

As we get nearer to the exam period, it is now essential that your child has established a good routine for regular revision. This should include revising most evenings, at weekends and in the school holidays. It is also very important that they get the balance right with planned breaks and time to switch off and relax. Subject revision sessions at both lunchtime and after school continue to take place.

As students continue their preparations, I thank you in anticipation for your continued support. If you have any further questions, please contact me via the school office.

Yours sincerely

Miss R Hopwood
Deputy Headteacher
