Dear Parents/Carers

Re: Year 9 Assessment Week

I am writing to inform you that Year 9 students will take part in an Assessment Week during the first week back of Term 6, from Monday 1 June to Friday 5 June 2026.

Students will complete an assessment in many of their subjects and for most students, this will be completed in their usual classroom during their usual lesson time. The purpose of these assessments is to help teachers evaluate students' understanding and progress across the curriculum.

Each subject area has individually shared the topics that students should be revising, alongside key revision resources to support their preparation. We encourage students to make good use of these materials in the lead-up to the assessments.

In addition, students have recently completed two 'Learning to Learn' sessions during extended tutor time. These sessions focused on how to organise revision effectively, as well as strategies for effective notetaking, helping students to develop strong revision habits and prepare confidently for their assessments.

Maintaining good attendance and punctuality throughout the assessment period is very important, and we appreciate your support in helping students approach the week positively and with confidence.

Please do not hesitate to get in touch if you have any questions about revision or if there is any further support your child needs to help them prepare for their assessments.

Yours sincerely

Mrs C Mitchell
Deputy Headteacher
